

CONNECT WITH LIFELONG LEARNERS

Looking for a way to connect your library to learning even more? Online resources like *Gale Courses* position libraries such as yours as educational institutions—making lifelong learning more accessible. In fact, *Gale Courses* deliver hundreds of engaging, instructor-led online courses focused on professional development, technology skills, and personal enrichment—all designed to help transform lives and foster positive outcomes in your community.

ONLINE LEARNING ANYTIME, ANYWHERE— JUST A CLICK AWAY

OFFER SOMETHING FOR EVERYONE

With approximately 325 options to choose from, patrons can learn professional skills, earn an education credit, or develop a new hobby.

LEARN FROM THE BEST

Get one-on-one help and feedback, with classes taught by college instructors and experts in the field.

WORK AROUND BUSY SCHEDULES

Classes are six weeks long, and new classes start each month. Once the session starts, the course and all materials can be accessed 24/7 in the online classroom.

PROVIDE CERTIFICATION

After finishing a course with a passing score, students receive a certificate of completion.

RECEIVE FEEDBACK

Students can rate their experience and provide feedback on their course.

Speed Spanish II
Introduction to Microsoft Word 2019

“I have a feeling as long as Gale is adding new classes, I will be adding to my Gale “to-do” course list. Every time I complete a course, I feel a bit sharper and better able to serve my staff and patrons.”

Mary Kelly, Youth Services Librarian
Lyon Township Public Library,
South Lyon, MI

Product screen capture as of June 2023. Actual interface may vary.

24/7 ACCESS

Allows students to complete lessons on their own schedule.

ONGOING COMMUNICATION

Discussion boards allow students to engage with the instructor and peers.

BIWEEKLY LESSONS

Lessons are assigned twice a week and feature text, video, games, and images. Patrons will have access to all previously released lessons until the course ends.

READY-MADE PROGRAMMING

Supplement your on-site class offerings without extra staff time. Patrons can further explore newfound interests and skills.

CUSTOMIZATION

Libraries can customize the product landing page with their logo and color scheme.

MEASURABLE

An intuitive dashboard with real-time tracking and reporting tools chronicles patron engagement and program outcomes.

Courses offered on a wide array of topics, including:

- Microsoft Office products, such as Word, Excel, PowerPoint, Access, and more
- Six Sigma preparation, Google Workspace, and project management
- Grant writing, creative writing, business writing, and technical writing
