

EXPLORE ELEMENTARY COLLECTIONS

For kids who find reading challenging, there's a literacy tool that's proven effective with all ages. As a reading format, large print can improve letter and word recognition, aid comprehension, and increase feelings of confidence.

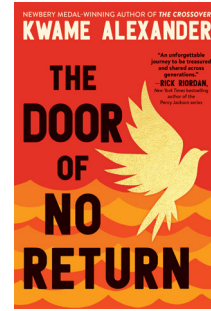

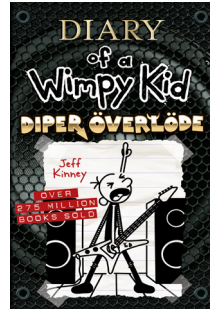

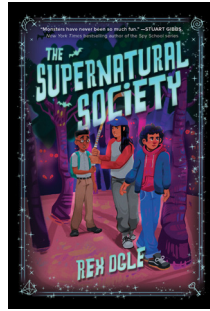

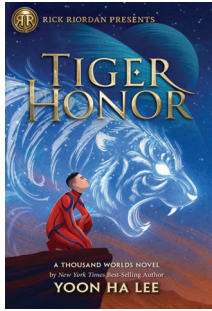

To help you save time searching for high-interest titles, we've created two collections of 20 diverse, award-winning, hardcover, large print books your children love. Each cost \$459.80 before taxes. Fall titles ship in October 2022 and Spring in February 2023.
