

SIMPLIFY READING WITH SPRING FORWARD COLLECTIONS

Start the semester helping more students discover the joy of reading. For students who find reading challenging, there's a literacy tool that's proven effective with all ages. As a reading format, large print can improve letter and word recognition, aid comprehension, and increase feelings of confidence.

To help you save time searching for high-interest titles, we've created two collections of 20 diverse, award-winning, hardcover, large print books your students will love. You can purchase the Tween (\$459.80 before taxes) and Teen (\$495.80 before taxes) collections separately—or together for a greater impact.
